Portfolio: Live link | **GitHub:** Live link

CORE SKILLS

- JavaScript, React.js, Next.js
- Node.js, Express.js, MongoDB
- MERN Stack Development
- HTML5, CSS3, Tailwind CSS
- Python Programming
- Git & GitHub
- MS Word, Excel, PowerPoint
- AutoCAD 2D & 3D
- Rebar / Reinforcement Work
- Site Supervision

EDUCATION

Diploma in Civil Engineering
Chandpur Polytechnic Institute
2016 – 2020
GPA: 3.66/4.00

Dakhil
Gausia Sobhania Alim Madrasha
2016
GPA: 5.00/5.00

LANGUAGES

Bangla — Mother Tongue
English — Proficient

PERSONAL PROFILE

Father's Name: Nurul Islam
Mother's Name: Peara Begum
Permanent Address: Shadipura, Kachua, Chandpur
Date of Birth: 7 Feb 1999
Marital Status: Married
Sex: Male
Blood Group: B+
National ID: 8719122296

PROFILE SUMMARY

Web Developer and Programmer specializing in the MERN stack and Next.js, with hands-on experience building responsive, component-based web applications using React.js, Node.js, Express.js, and MongoDB. Currently serving as a Junior Instructor, delivering practical, project-based programming instruction and technical lab support to students. Brings a supporting technical background in Civil Engineering, including AutoCAD drafting, site supervision, and reinforcement execution, adding a practical, detail-oriented approach to problem-solving and documentation.

PROFESSIONAL EXPERIENCE

Junior Instructor ***Present***
Hajigonj Polytechnic Institute

- Deliver practical, lab-based instruction in programming and computer application topics, guiding students through hands-on exercises and coding practice.
- Prepare lesson plans, technical learning materials, and demonstrations to support student understanding of programming concepts.
- Support students on project-based learning tasks, helping them plan, build, and troubleshoot their own technical projects.
- Provide one-on-one guidance during lab sessions to help students strengthen their practical computer skills.

Frontend Developer — Softvance Delta (Bitopia Group) ***6 months, 2025***

- Built and maintained responsive web application interfaces using React.js and Next.js.
- Developed reusable, component-based UI elements to improve development efficiency and consistency.
- Worked with JavaScript to implement interactive features and improve overall user experience.
- Debugged and resolved UI issues, contributing to smoother, more reliable web applications.

Software Developer Intern ***Dec 2024 – May 2025***
American Wellness Center, Shukrabad, Dhanmondi, Dhaka

- Gained cross-disciplinary exposure to project-based problem solving and technical documentation.
- Strengthened analytical and reporting skills applicable to technical and site-based work.

Site Engineer Trainee — Industrial Training Programme ***Feb 2020 – Sep 2020***
Regal Skill Development Science and Technology Institute

- Supervised on-site construction activities and prepared AutoCAD 2D drawings supporting design documentation.

Reinforcement (Rebar) Technician ***2021***
Residential Building Project, Chattogram (multi-storey building)

- Carried out reinforcement steel work on-site, including rod binding, cutting, and placement of rebar in slabs and columns.

TRAINING & CERTIFICATION

MERN Stack Development ***Mar 2024 – Dec 2024***
One Year Academy
Frontend Development with React ***May 2023 – Feb 2024***
Creative IT Institute

ACHIEVEMENTS

- Secured 2nd position in a "Skill Competition" for structural design of a five-storeyed building.
